JOIN OUR LISTS

LITTERLIST—on our Litterlist you have priority selection of puppies from a successful confirmed or current litter.

- ◆ To reserve your spot on a Litterlist we request you pay a \$500 reservation fee.
- ◆ This payment entitles you to priority selection of the litter and/or reserved puppy once they have passed all their health checks at approximately 6 weeks of age at which time we make them available to families to meet (either in person or by video call) and select.
- ◆ You chose your puppy in the order of the timing of reservation fee payment, and can choose from any of the puppies available (not reserved) at your selection time.
- ◆ Your payment does not lock you in or guarantee your chosen puppy as sometimes upon meeting them a different puppy is a better fit for your household.
- ◆ You can defer your place in line any number of times and across different litters.
- ◆ This payment goes toward the full price of the puppy, the price you pay for your puppy is set at the time you pay your deposit for a period of 12 months.
- ◆ At selection time we will provide guidance on temperament to ensure your puppy will fit into your household, we don't allocate puppies purely on appearance.
- ◆ We keep our Litterlist to a reasonable number depending on the mumma, how many puppies we can expect, how many pups we see on an ultrasound etc so that waiting time is kept to a minimum. For example—should we hope for 4 puppies, we would accept 3 families on the Litterlist.
- ◆ Please be certain you want to commit to a puppy when you join a Litterlist, as reservation payments are non refundable with the following exceptions only:
 - ◆ If a pregnancy is unsuccessful
 - ◆ If we are unable to offer you a puppy
 - ◆ If your particular desired puppy trait is not available in the puppies available and this has been agreed to by Waterhill at the time of your reservation payment.

STANDBY LIST

- ◆ Is a list of those families who would like to be informed about puppies that may become available or for future planned litters.

- Once you select your puppy we request you to sign a Sale Contract and pay a \$1000 payment within 48 hours to secure them as sold.
- We want our puppies to go the suitable homes and hence reserve the right to refuse the sale of any puppy to any person for any reason.
- We reserve the right to withdraw a puppy from sale at any stage
- We will allow the transport of puppies to their new families anywhere in Australia. Any transport fees or associated transport fees such as crate hire or purchase are additional to the cost of a puppy. Once puppies have left our care, they have left our responsibility.
- Puppies will be available for collection/ transportation from a minimum of 8 weeks of age and may be longer depending on the puppy's level of development.
- We can hold a puppy for longer than their stated date of availability by prior arrangement. Boarding fees of \$35 per day will apply, plus the cost of any parasite treatment or vaccinations that may become due in that time.
